- 13. July 9, Associated Press (Arkansas) Little Rock man accused of defrauding USDA feeding program. The U.S. Attorney's office announced charges July 9 against a Little Rock man accused of allegedly defrauding a U.S. Department of Agriculture community feeding program by overstating how many children were served at "Our Children of Tomorrow," an organization he sponsored.

  Source: <a href="http://www.katv.com/story/29513720/little-rock-man-accused-of-defrauding-usda-feeding-program">http://www.katv.com/story/29513720/little-rock-man-accused-of-defrauding-usda-feeding-program</a>
- 14. July 8, U.S. Department of Agriculture (California) Bassett and Walker International, Inc., recall beef products produced without benefit of import inspection. Toronto, Canada-based Bassett & Walker International, Inc., issued a recall July 7 f or about 1,540 pounds of beef lip products from Australia after the Food Safety and Inspection Service found that the items were not inspected at the port of entry. The products were distributed to retail outlets and restaurants in the San Diego area. Source: <a href="http://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2015/recall-098-2015-release">http://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2015/recall-098-2015-release</a>

# **Water and Wastewater Systems Sector**

15. *July 9, KTXS 20 Sweetwater* – (Texas) **Wastewater spilled in Snyder, public water safe.** The city of Snyder Water Reclamation Plant reported that an estimated 50,000 gallons of wastewater spilled near Deep Creek July 7 after a line in the facility collapsed due to heavy rainfall. Crews cleaned the site of the spill after plugging the line and diverting the flow.

Source: <a href="http://www.ktxs.com/news/wastewater-spilled-in-snyder-residents-encouraged-to-boil-water1/34085072">http://www.ktxs.com/news/wastewater-spilled-in-snyder-residents-encouraged-to-boil-water1/34085072</a>

16. *July 9, WQAD 8 Moline* – (Illinois) **Thousands of gallons of untreated wastewater discharged in Clinton.** Thousands of gallons of untreated wastewater went into the Mississippi River after a repair failed in a force main in Clinton, Iowa, causing about 2,000 gallons per minute to spill July 8.

Source: <a href="http://wqad.com/2015/07/09/thousands-of-gallons-of-untreated-wastewater-discharged-in-clinton/">http://wqad.com/2015/07/09/thousands-of-gallons-of-untreated-wastewater-discharged-in-clinton/</a>

For another story, see item 20

## **Healthcare and Public Health Sector**

17. July 10, Lorain County Chronicle-Telegram – (Ohio) Elyria hospital patients' records improperly accessed by worker. A University Hospital Elyria Medical Center official announced July 9 a security breach affecting 300 patients after a former employee allegedly accessed sensitive information using the hospital's electronic medical record system outside of normal duties. The hospital said there is no evidence the information was misused and notifications were sent to affected patients beginning July 2.

Source: <a href="http://chronicle.northcoastnow.com/2015/07/10/elyria-hospital-patients-records-improperly-accessed-worker/">http://chronicle.northcoastnow.com/2015/07/10/elyria-hospital-patients-records-improperly-accessed-worker/</a>

18. July 9, Reuters – (New York) Walgreen to pay \$22.4 million in N.Y. Medicaid improper billing case. A \$22.4 million settlement between Walgreen Co., and the New York attorney general was revealed July 9 after allegations that Trinity Healthcare LLC, primarily owned by Walgreen Co, submitted false claims to the government for Synagis, an injectable respiratory drug for premature infants.

Source: http://www.businessinsider.com/r-walgreen-to-pay-224-million-in-ny-medicaid-improper-billing-case-2015-7

# **Government Facilities Sector**

19. *July 10*, *CNN* – (National) **OPM government data breach impacted 21.5 million.** Federal officials announced July 9 that the June breach of the U.S. Office of Personnel Management's computer systems affected roughly 21.5 million people, up from the 4.2 million estimate originally announced, including security clearance application information from 19.7 million applicants and information regarding 1.8 million non-applicants comprised of spouses and partners.

Source: <a href="http://www.cnn.com/2015/07/09/politics/office-of-personnel-management-data-breach-20-million/index.html">http://www.cnn.com/2015/07/09/politics/office-of-personnel-management-data-breach-20-million/index.html</a>

20. *July 9, WPRI 12 Providence* – (Rhode Island) **DMV reopens after power outage.**Officials are investigating the cause of a power outage which left the Division of Motor Vehicles and the Department of Labor and Training offices in Cranston, Rhode Island without water or power for several hours July 8, suspending operations for the two agencies until July 9.

Source: http://wpri.com/2015/07/09/dmv-reopens-after-power-outage/

# **Emergency Services Sector**

21. *July 9, Washington Post* – (Virginia) **Ex-Loudon sheriff's deputy charged with stealing asset forfeiture money.** A former Loudon County sheriff's deputy was charged July 10 with allegedly embezzling more than \$200,000 from the office's assetforfeiture program over a span of 3 years.

 $Source: \underline{http://www.washingtonpost.com/local/crime/ex-loudoun-sheriffs-deputy-accused-of-stealing-asset-forfeiture-money/2015/07/09/c8c69e3c-24c6-11e5-b72c-2b7d516e1e0e\_story.html$
